Professional Summary

Enthusiastic and detail-oriented **Frontend Developer** with hands-on experience in developing responsive and user-friendly web applications using modern technologies such as React.js and Next.js. Adept at building scalable web solutions, integrating RESTful APIs, and ensuring seamless user experiences. Committed to continuous learning and applying innovative solutions to solve complex challenges.

Education

National Engineering College

B.E. in Electrical and Electronics Engineering | June 2018 - April 2022
CGPA: 7.6

Dr. V. Gengusamy Naidu Metric Higher Secondary School

Higher Secondary Certificate (HSC) | June 2017 - April 2018
Percentage: 71.1

Technical Skills

- **Frontend Technologies:** HTML, CSS, JavaScript
 - **Frameworks & Libraries:** React.js, Next.js, Redux
 - **Styling Tools:** Tailwind CSS
 - **Version Control:** Git
-

Projects

React JS News Portal

Objective: Develop a single-page application to display the latest news.

Scope:

- Designed a user interface with pagination at the bottom for browsing news.
- Created a detailed news view with images, descriptions, and external links.

Features:

- Filter news by categories such as health, sports, and science.
- Search for specific news topics like "Tesla" or "Apple."

Technologies: React.js, CSS, Git

Weboin - My Projects

- **Svipes Static Website:** Developed a promotional site for svipes.com.
- **Maxgold Website:** Delivered a client project focusing on seamless UI/UX.
- **Product AI:** Designed a UI similar to ChatGPT, enabling users to compare two products effectively.

Work Experience

Frontend Developer Intern – Weboin

Duration: [June 2024- Dec 2024]

- Developed and maintained responsive web applications using React.js, ensuring compatibility across devices.
- Managed application state using React Context API and third-party libraries like Redux for efficient and dynamic user interactions.
- Integrated RESTful APIs to enable real-time data fetching and backend communication.

Key Achievements

- Designed and implemented responsive interfaces that enhanced user experience.
- Successfully delivered multiple client projects within tight deadlines.
- Contributed to the development of scalable and maintainable frontend codebases.

Soft Skills

- Strong problem-solving abilities
- Excellent teamwork and collaboration skills
- Eagerness to learn and adapt to new technologies
